# About miForm

## Since 1967

miForm is a high-end custom-made furniture brand owned by the renowned Italian group Former, that offers whole-home solutions. As an Italian furniture brand with more than 50 years of experience in high-end custom-made furniture, Former was born from the furniture workshop of House Fumagalli in the 1900s and was incorporated officially in 1967.

## From Milan

miForm stands for Milano and Former, which means Elegant and Luxury Style from Milan. It aims to provide high-end consumers around the world with original Milanese artistic furniture with strict standards in Design, Quality, and Material Selection.

## With OPPEIN HOME GROUP INC.

In 2022, Former, one of the most prestigious high-end furniture brands in Italy, formed a partnership with the leading Chinese furniture company, Oppein Home Group. The strategic partnership would enable miForm to gain a greater understanding of the global market and strengthen its global presence.

## MAGIC Q IV

Magic Q IV is designed based on the needs of young generation, post-90s generation in particular. More creative and practical functions are added to it for the sake of comfort and convenience, epitomizing the spirit of pragmatism.

Both its social functions and visual appeals are fully developed in this kitchen.

It can be adapted for any forms of gatherings and social activities, catering to a new living style among young people.

**SHAKER DOOR**

Golden oak grain coupled with matte plain stone texture, creates a warm look for the house, add a touch of sophistication and elegance. The company of a good kitchen can restore your mind to tranquility and sedateness.

## GLUCK

Our relentless pursuit of modernism and minimalism in design, is a tribute to Gluck's attitude towards his music. That is to stay true and simple.

**BRESSANON**

## LIGHT & SHADOW

Feel the coolness of midnight gray. Kitchen - Shades features a blend of light and shade to provide an elegant texture.

Under cabinet lightings provide adequate illumination and a sense of luxury. Matte finishes and golden handles contribute to the elegant appearance of the cabinet. In addition, the removable sliding shelves are perfect for storing sauces, keeping them within easy reach when cooking.

**TURANDOT**

## Moma

With the state-of-the-art 45° edge-cutting craftsmanship, this handleless kitchen reflects a minimalist lifestyle. The high ribbed glass fronts bring not only a touch to the space, but also showcase the contents elegantly. On the right, the electrical appliances are hidden behind the walnut fronts concisely. Equipped with Australia-made Eclipse sliding door system and when pulled out, the walnut sliding doors can be concealed and discreetly integrated into the wall.

## NICAEA

People who live in the teeming city now tend to seek a simpler and happier life, clinging to "Back to nature, back to origin" living philosophy. Nicaea is the type of kitchen that every family desires. The antique and delicate solid wood leads you closer to nature, bringing you back to the old times, and casting an air of gentility and elegance to your house.

## SWAN LAKE

The design idea is drawn from Swan Lake by Tchaikovsky. As a ballerina in white dress, with her black veil, enters a moonlit clearing in the forest, there she dances and rises like a magnificent swan in flight.

## MODERN TIMES

Super high UV door panel combined with aluminum frame glass door, creates a high-end atmosphere.

## POST-MINIMALISM

The powder spraying lacquer process is used to create a sand texture, and the built-in metal handle is used to show the modern entry luxury style.

## CHRIS

Chris series is born for the simple and fashionable style of custom furniture. Considering the fashionable consumers, the design uses simple narrow frame and ink & sand texture materials to create a simple yet fashionable style.

## GLIMMER

Glimmer selects elegant neutral colors, keeps up with fashion trends, decorates with metal elements, natural and extreme, clean geometric shapes, simple and elegant!

## Kitchen

Kitchen space: Reasonable design makes the whole cooking process becomes simple and efficient relaxed. The classic tone of black, white and gray with neutral wood timber color makes calm.

## Entrance

Entrance area is not only a shoes cabinet, It's also showcase area, dressing area, storage cabinet and so on. Get ready for work, put your jackets on and off, come home and welcome gusts. There's always something going on here.

## Living Room

The living room is dominated by gray, timber, green color and cold metal color to create a modern style. The black metal and the transparent glass with green, natural wood timber color of the TV cabinets , shows amazing mix and match glamour.

## Wardrobe

The attractive visually transparent walk in closet is adopted to make the entire space swell, preventing the small and shrinking area. The glass door are used for folding, changing quilts, storage and other items, etc.

# Bedroom

The concise space uses a small amount of warm wood grain to make it warmer, more peaceful and quiet ambience. The neat wood grain color and white expand the spaciousness of the room; the custom-made double bed strengthens the continuity of the space, promoting a unified coordination, also has more storage space.

# Bathroom

The wall-mounted bathroom cabinet can not only effectively isolate the moisture on the ground, but also make it easier to clean. It is more convenient to take items with the pull-out drawer; the dark wood texture is well decorated.
